E-MAIL BLASTS

If you find yourself in need of getting your message in front of a targeted, opt-in online golf audience who not only expects to be kept informed of the latest and greatest in golf equipment and services, but also looks forward to it, a Golf Illustrated exclusive e-mail blast could offer the perfect solution. We have been told time and time again that our online audience is responsive and that our flexibility and technical expertise is unmatched. We can partner with you to produce an e-mail campaign that will produce results. Video can be incorporated into the blasts, enhancing your message. Boost your online sales and maximize your exposure with an e-mail blast from Golf Illustrated.
